The Finger Lakes region of New York State is known for clear blue lakes, dramatic gorges, rolling vineyards and numerous waterfalls. Stretches of the historic Erie Canal are especially picturesque. Rochester is home to such pioneers as photography's George Eastman and activist Susan B. Anthony. Niagara Falls State Park is America's oldest state park. Capture the power and awesome beauty of both the American and Canadian Falls from the Maid of the Mist and the observation tower - no passport necessary! A variety of activities and ever-changing landscapes makes this summer escapade inviting.
